Dear Mr. Secretary-General,

I am pleased to confirm that **Fundación Santa Fe de Bogotá** supports the Ten Principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s): En Fundación Santa Fe de Bogotá nos comprometemos a involucrarnos con el Pacto Mundial de las Naciones Unidas, estableciendo alianzas en materia de sostenibilidad, participando activamente en la red local del Pacto Mundial e interactuando con otras partes interesadas del sector salud.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Henry Mauricio Gallardo Lozano ,
Director General at Fundación Santa Fe de Bogotá
