Dear Mr. Secretary-General,

I am pleased to confirm that **Health Environment and Climate Action Foundation (HECAF360)** supports the Ten Principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s): Engage in Local and Global Forums & Initiatives by attending Global Compact meetings or workshops and collaborating with other member organizations Partnerships and Collaborative Projects like Climate-smart solutions in schools and communities and Capacity building and training Advocacy and Awareness Campaigns Leveraging Financial and Technical Resources such as Funding opportunities, Technical support and expertise

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Mahesh Nakarmi,
Executive Director/Chairman at Health Environment and Climate Action Foundation (HECAF360)
