Dear Mr. Secretary-General,

I am pleased to confirm that **Madagascar Green School NGO** supports the Ten Principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s): Madagascar Green School NGO pledges to participate in and engage with the UN Global Compact by: 1-It continues to work to provide climate and sustainability education services to schools and rural farmer communities. 2-It continues to improve its capacity building and extend its Services to promote the Corporate Social Responsibility (CSR) business model and best practices among Small-Medium Companies. 3-It continues to invite Companies to join the UN Global Compact and to adhere to its 10 principles.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Igino Razafimahilaza,
Founder/Consultant at Madagascar Green School NGO
