Dear Mr. Secretary-General,

I am pleased to confirm that **Tokio Marine Seguradora S.A.** supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption. With this communication, we express our commitment to making the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. **Tokio Marine Seguradora S.A.** will make a clear statement of this commitment to our stakeholders and the general public.
