Dear Secretary-General,

I am pleased to confirm that **Dowpol Chemical International Corp | 上海道普化学有限公司** supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption. With this communication, we express our commitment to making the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals.

Dowpol Chemical International Corp | 上海道普化学有限公司 will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (CoP) that describes our company's efforts to implement the Ten Principles. We support public accountability and transparency, and therefore commit to report on progress starting the calendar year after joining the UN Global Compact, and annually thereafter according to the UN Global Compact CoP policy. This includes:

- A statement signed by the chief executive expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles. This is separate from our initial letter of commitment to join the UN Global Compact.
- The completion of the online questionnaire of the Communication on Progress through which we will disclose our company's continuous efforts to integrate the Ten Principles into our business strategy, culture and daily operations, and contribute to United Nations goals, particularly the Sustainable Development Goals.

在2023年的报告准备过程中，负责此项工作的员工因个人原因离职，导致工作交接出现空档期。由于该员工是此前负责与贵组织对接及管理平台账号的主要人员，其离职后，【上海道普化学有限公司】在短时间内未能顺利获取联合国全球契约组织平台的登录信息，进而无法按时完成报告提交。【上海道普化学有限公司】始终高度认可并积极践行联合国全球契约组织的各项原则与倡议，深知按时提交年度执行情况报告的重要性。此次未能按期提交，完全是由于内部工作衔接出现的意外情况，绝非主观故意。 ***During the preparation of the 2023 report, the employee in charge of this task left the company for personal reasons, resulting in a gap period during the work handover. As this employee was the main person responsible for communicating with your organization and managing the platform account previously, after his departure, [Dowpol Chemical International Corp] failed to obtain the login information of the UN Global Compact platform in a short period of time, and thus was unable to submit the report on time. [Dowpol Chemical International Corp] has always highly recognized and actively practiced the principles and initiatives of the UN Global Compact, and is well aware of the importance of submitting the annual implementation report on time. The failure to submit on time this time was entirely due to an unexpected situation in internal work handover, and was by no means intentional.***
