Dear Secretary-General,

I am pleased to confirm that **InspirandoT SAS BIC** supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption. With this communication, we express our commitment to making the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. **InspirandoT SAS BIC** will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (CoP) that describes our company's efforts to implement the Ten Principles. We support public accountability and transparency, and therefore commit to report on progress starting the calendar year after joining the UN Global Compact, and annually thereafter according to the UN Global Compact CoP policy. This includes:

- A statement signed by the chief executive expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles. This is separate from our initial letter of commitment to join the UN Global Compact.
- The completion of the online questionnaire of the Communication on Progress through which we will disclose our company's continuous efforts to integrate the Ten Principles into our business strategy, culture and daily operations, and contribute to United Nations goals, particularly the Sustainable Development Goals.

Por motivos relacionados a cambios estructurales y de modelo de negocio, simultáneo de diversos proyectos, no fue posible elaborar la Comunicación de Progreso (COP) dentro del plazo establecido. Sin embargo, reafirmamos nuestro compromiso con los Diez Principios del Pacto Global de las Naciones Unidas y continuaremos trabajando activamente para integrarlos en nuestras estrategias, operaciones y cultura organizacional, manteniendo nuestras acciones alineadas con los Objetivos de Desarrollo Sostenible y cumpliendo con nuestras obligaciones como lo hemos venido haciendo en los últimos años (4 años) como empresa adherida.

Sincerely yours,
