Dear Secretary-General,

I am pleased to confirm that **centro meridionale costruzioni s.r.l.** supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption. With this communication, we express our commitment to making the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. **centro meridionale costruzioni s.r.l.** will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (CoP) that describes our company's efforts to implement the Ten Principles. We support public accountability and transparency, and therefore commit to report on progress starting the calendar year after joining the UN Global Compact, and annually thereafter according to the UN Global Compact CoP policy. This includes:

- A statement signed by the chief executive expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles. This is separate from our initial letter of commitment to join the UN Global Compact.
- The completion of the online questionnaire of the Communication on Progress through which we will disclose our company's continuous efforts to integrate the Ten Principles into our business strategy, culture and daily operations, and contribute to United Nations goals, particularly the Sustainable Development Goals.

La Società Centro Meridionale Costruzioni S.p.A. è stata rimossa dall'elenco dei partecipanti al Global Compact a seguito del mancato invio, nei termini previsti, della Communication on Progress (CoP) e della conseguente mancata conferma formale dell'impegno annuale di partecipazione. Tale circostanza è riconducibile a un disallineamento di natura amministrativa e tecnica. La Società, avendo nel frattempo riorganizzato i propri processi di gestione e monitoraggio delle performance ESG, chiede il reintegro tra i partecipanti al Global Compact delle Nazioni Unite, confermando il proprio impegno a rispettare e promuovere attivamente i Dieci Principi relativi ai diritti umani, al lavoro, all'ambiente e alla lotta alla corruzione, nonché a garantire la regolare trasmissione della CoP e l'adempimento di tutti gli obblighi connessi alla partecipazione

Sincerely yours,

MICHELE TAMBURINI,
Legale rappresentante at centro meridionale costruzioni s.r.l.
