Dear Mr. Secretary-General,

I am pleased to confirm that **NIYET Charitable Foundation** supports the Ten Principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):
NIET Foundation is a digital platform providing fast, fair, and transparent support for vulnerable children across Kazakhstan. Using AI, we verify applications in 2 minutes and distribute aid in 10 — reaching 9,000+ children since 2017. We uphold the SDGs through action: • No Poverty: Targeted, instant aid to low-income families, orphans, and children with disabilities. • Quality Education: Charity masterclasses and digital programs with EPAM & Skillbox help families build skills. • Reduced Inequality: Aid access based on vulnerability, not status — across all regions of Kazakhstan. • Responsible Consumption: We co-create charity merchandise with local studios (e.g., FORMA) and run donation drives with brands. • Partnerships: Collaborating with World Bank, UNICEF, and building tools for corporate giving, ESG, and public–private scaling. Annual audits: https://niet.kz/en/about-fund

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Yevgeniya Yussupova,
CEO at NIYET Charitable Foundation
