Dear Mr. Secretary-General,

I am pleased to confirm that **Belarusian Currency and Stock Exchange** supports the Ten Principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

The Belarusian Currency and Stock Exchange (BCSE) is a responsible organization that implements sustainable development principles. We respect the environment, improve corporate governance practices, promote financial literacy among the population, and facilitate the implementation of best practices in the areas of respecting and protecting human rights, an inclusive environment, and equal access to products and services among our partners. In recent years, the BCSE has regularly initiated legislative amendments and worked with regulators to improve the taxation of income received from securities transactions, with the aim of creating incentives for issuers that adhere to ESG principles to list. In December 2022, the BCSE trading system held an auction to place the debut issue of government green bonds. Every March, the BCSE holds the opening ceremony of Children and Youth Financial Literacy Week. https://bcse.by/about_bcse/reporting/bcse_reporting

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Andrei Aukhimenia,
Chairman of the Board at Belarusian Currency and Stock Exchange
