Dear Mr. Secretary-General,

I am pleased to confirm that **FUNDACION UNIVERSITARIA EMPRESARIAL DE LA CAMARA DE COMERCIO DE BOGOTÁ** supports the Ten Principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

Contamos con dos programas estratégicos orientados al fortalecimiento del compromiso social y empresarial: Programa de Mentoring Filantrópico “Ser Empresarios”, que facilita el acompañamiento y la orientación de estudiantes y emprendedores a través de la vinculación con empresarios de alto impacto social. Este programa promueve la responsabilidad social empresarial y contribuye al fortalecimiento del ecosistema emprendedor. Programa Red de Voluntariado, integrada por estudiantes, egresados, docentes y empresarios, enfocada en la transferencia de conocimientos y experiencias hacia comunidades, organizaciones y emprendedores, impulsando el desarrollo social y económico mediante la aplicación práctica del saber especializado.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization’s efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

JUAN ALFREDO PINTO SAAVEDRA,
RECTOR at FUNDACION UNIVERSITARIA EMPRESARIAL DE LA CAMARA DE COMERCIO DE BOGOTÁ
