Dear Secretary-General,

I am pleased to confirm that **Shanghai Shine-Link International Logistics Co., Ltd.** supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption. With this communication, we express our commitment to making the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. **Shanghai Shine-Link International Logistics Co., Ltd.** will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (CoP) that describes our company's efforts to implement the Ten Principles. We support public accountability and transparency, and therefore commit to report on progress starting the calendar year after joining the UN Global Compact, and annually thereafter according to the UN Global Compact CoP policy. This includes:

- A statement signed by the chief executive expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles. This is separate from our initial letter of commitment to join the UN Global Compact.
- The completion of the online questionnaire of the Communication on Progress through which we will disclose our company's continuous efforts to integrate the Ten Principles into our business strategy, culture and daily operations, and contribute to United Nations goals, particularly the Sustainable Development Goals.

Hello, our company has resumed its status with the United Nations. Due to the departure of the previous responsible colleague, who failed to properly hand over the work, it has not been addressed since then. Our company has now handed over the responsibility to a senior executive, so all matters will be actively addressed in the future. However, there is an issue that needs to be communicated. Our company's turnover is incorrect. Our turnover is around 160 million RMB, which is approximately 23 million USD after conversion. Could you please modify our company's turnover and correct the invoice amount so that we can process it as soon as possible? Thank you

Sincerely yours,

Tina Zho,
General Manager at Shanghai Shine-Link International Logistics Co., Ltd.
