Dear Secretary-General,

I am pleased to confirm that **Veritas Architects Sdn. Bhd.** supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption. With this communication, we express our commitment to making the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. **Veritas Architects Sdn. Bhd.** will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (CoP) that describes our company's efforts to implement the Ten Principles. We support public accountability and transparency, and therefore commit to report on progress starting the calendar year after joining the UN Global Compact, and annually thereafter according to the UN Global Compact CoP policy. This includes:

- A statement signed by the chief executive expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles. This is separate from our initial letter of commitment to join the UN Global Compact.
- The completion of the online questionnaire of the Communication on Progress through which we will disclose our company's continuous efforts to integrate the Ten Principles into our business strategy, culture and daily operations, and contribute to United Nations goals, particularly the Sustainable Development Goals.

In 2022, a period of internal re-prioritization and short-term resource constraints affected our ability to complete the UN Global Compact's annual Communication on Progress (CoP) submission and we were subsequently de-listed. Since then, we have restored capacity and strengthened internal accountability, governance and reporting discipline to ensure consistent and timely compliance going forward. With this renewed readiness, VERITAS is committed to re-joining the UN Global Compact and reaffirming our commitment to its Ten Principles.

Sincerely yours,

**David Hashim,
Group Founder and President at Veritas Architects Sdn. Bhd.**
