Dear Secretary-General,

I am pleased to confirm that **GSP Crop Science Private Limited** supports the Ten Principles of the United Nations Global Compact on human rights, labour, environment and anti-corruption. With this communication, we express our commitment to making the UN Global Compact and its principles part of the strategy, culture and day-to-day operations of our company, and to engaging in collaborative projects which advance the broader development goals of the United Nations, particularly the Sustainable Development Goals. **GSP Crop Science Private Limited** will make a clear statement of this commitment to our stakeholders and the general public.

We recognize that a key requirement for participation in the UN Global Compact is the annual submission of a Communication on Progress (CoP) that describes our company's efforts to implement the Ten Principles. We support public accountability and transparency, and therefore commit to report on progress starting the calendar year after joining the UN Global Compact, and annually thereafter according to the UN Global Compact CoP policy. This includes:

- A statement signed by the chief executive expressing continued support for the UN Global Compact and renewing our ongoing commitment to the initiative and its principles. This is separate from our initial letter of commitment to join the UN Global Compact.
- The completion of the online questionnaire of the Communication on Progress through which we will disclose our company's continuous efforts to integrate the Ten Principles into our business strategy, culture and daily operations, and contribute to United Nations goals, particularly the Sustainable Development Goals.

Our organization understands that the delisting occurred due to a period of inactivity/ non-responsiveness on the UN Global Compact platform. We acknowledge the importance of maintaining consistent activity and participation in order to remain compliant with the UN Global Combat's requirements. Since becoming aware of the delisting, we have reviewed our internal processes and assigned dedicated personnel to ensure regular monitoring and active participation.

Sincerely yours,

Tirth Shah,
Executive Director at GSP Crop Science Private Limited
