Dear Mr. Secretary-General,

I am pleased to confirm that **Entrepreneurial Centre of Krapina-Zagorje County Ltd.** supports the Ten Principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

The Entrepreneurial Centre of Krapina-Zagorje County supports SMEs in adopting sustainable and responsible business practices aligned with the Ten Principles of the UN Global Compact through acceleration programmes such as SPRINT, education initiatives such as the Health IT Academy and advisory support for access to EU funding for green and digital transition. The Centre also organizes the Invest in Zagorje investment conference promoting responsible investment and cooperation between businesses and institutions. As manager of the Business and Technology Incubator, it promotes environmental responsibility, non-discrimination and anti-corruption standards among tenants and enables confidential reporting of irregularities through internal procedures. We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,
