Dear Mr. Secretary-General,

I am pleased to confirm that **Fundacion del Museo Guggenheim Bilbao** supports the Ten Principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

The Guggenheim Museum Bilbao collaborates with consulting firms, transport companies, and technical service providers to support the measurement and reduction of its carbon footprint. Sustainability criteria are integrated into procurement processes and supplier relationships, including environmental considerations in the selection and management of providers. The Museum participates in international networks such as Gallery Climate Coalition, Culture for the Planet and the Getty Global Art & Sustainability Fellows programme, contributing to sector-wide improvement and raising awareness of environmental and social challenges. It reports its sustainability information regularly in line with GRI Standards, ensuring comparability and external verification. This information, including the Activity Report (Memoria de actividad 2024), financial reporting, organizational structure, and procurement processes, is available in its website: <https://www.guggenheim-bilbao.eus/acerca-del-museo>

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Miren Arzalluz,
Director General at Fundacion del Museo Guggenheim Bilbao
