Dear Mr. Secretary-General,

I am pleased to confirm that **KENYA EXTENDED PRODUCER RESPONSIBILITY ORGANIZATION** supports the Ten Principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

KEPRO implements Extended Producer Responsibility (EPR) activities supporting private sector compliance and UN Global Compact Principles 7-9 (environmental responsibility) and 1-6 (labor standards). Current Activities: Nationwide post-consumer waste collection, and recycling via infrastructure development, reverse logistics, and recycler partnerships, supported by recycling subsidy programs. Consumer Led Transformation initiatives promote waste segregation and responsible disposal. Capacity building includes industry training, stakeholder forums, and occupational safety support through PPE distribution for waste handlers. Planned Activities: Scaling collection systems to underserved areas, enhancing circular economy programs including sustainable packaging design support, and formalizing informal waste sector participation. These activities advance UN Global Compact mission through market-based environmental and social solutions. Annual Report: <https://shorturl.at/t02Uw>

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

**James Odongo,**  
**Chief Executive Officer at KENYA EXTENDED PRODUCER RESPONSIBILITY ORGANIZATION**
