Dear Mr. Secretary-General,

I am pleased to confirm that **Bangladesh Center for Communication Programs** supports the Ten Principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

As mentioned earlier, we have worked with different UN Bodies in the field of climate change, women empowerment, nutrition, public health, SBC capacity building, etc. We have also worked for the betterment of the Rohingya / FDMN Population and other vulnerable groups. We are working with Palli Karma Shahayak Foundation (PKSF) for the Micro Entrepreneurs (ME) promotion, we have worked with UNDP for women entrepreneur promotion in online marketplace. Our activities directly and indirectly contribute to the mission of UN Global Compact. Please find here the link of our last year Annual Report_ <https://www.bangladesh-ccp.org/assets/Annual%20Report%202023-2024.pdf>

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,
