Dear Mr. Secretary-General,

I am pleased to confirm that **Udruga Impact** supports the Ten Principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

Udruga IMPACT nastavila je suradnju sa Studencem i Osnovnom školom Vladimira Nazora u Pločama kroz projekt „Podzemne vode, čuvari života“. Nakon uspješne akcije čišćenja obale Neretve, aktivnosti su proširene na edukaciju učenika osnovnih škola o zaštiti okoliša, recikliranju i kružnom gospodarstvu. Kroz interaktivne radionice učenici su učili o važnosti odgovornog gospodarenja otpadom i zaštiti vodnih resursa. Green School Initiative – JYSK and Secondary Agricultural School Opuzen U partnerstvu s tvrtkom JYSK i Srednjom poljoprivrednom i tehničkom školom Opuzen, IMPACT je inicirao projekt uređenja školskog vrta i vanjskog edukativnog prostora. Projekt je uključivao sadnju autohtonih biljnih vrsta, uređenje prostora za nastavu na otvorenom te aktivno uključivanje učenika u aktivnosti povezane s održivom poljoprivredom, bioraznolikošću i zaštitom okoliša. Makerspace Development – Secondary School Metković

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Ivan Gluscevic,
