Dear Mr. Secretary-General,

I am pleased to confirm that **India Water Foundation** supports the Ten Principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

WFundertakes and plans a range of activities involving businesses, public-sector enterprises, industry associations and financial institutions that support the UN Global Compact's mission of responsible business conduct and advancement of the Sustainable Development Goals. IWF organizes conferences, leadership forums and capacity-building programmes to help companies integrate environmental, social and governance considerations into business strategies. We works with industries to promote water-use efficiency, wastewater treatment and reuse, water circularity etc. We promote renewable energy, circularity, biodiversity conservation and climate-resilient technologies.IWF promotes fundamental rights, inclusion, gender equality, transparent partnerships, accountable governance, stakeholder participation, measurable impact and responsible corporate CSR practices. We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Arvind Kumar,
President at India Water Foundation
