Dear Mr. Secretary-General,

I am pleased to confirm that **SRMS TRUST** supports the Ten Principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

Shri Ram Murti Smarak (SRMS) Trust Institutions drive private-sector engagement and the UN Global Compact mission through ongoing initiatives: **SDG Advocacy:** We embed sustainability using custom desk calendars tracking global milestones, alongside student events like World Oceans Day poster competitions and World Health Day debates. **Social Sustainability:** We empower marginalized communities through Samudayik skill development, offering rural youth direct institutional employment. We also run free food drives, subsidized vaccinations, and the RR Rasoi (Canteen) initiative, providing highly subsidized, nutritious meals to patient attendants at SRMS Hospital, Bareilly. **Environmental Stewardship:** Our campuses feature a 1,200 KW solar network, rainwater harvesting, and zero-food-waste policies. SRMS Trust stands ready to walk hand-in-hand with the UNGC to foster responsible, SDG-compliant practices. https://srms.ac.in/cet/wp-content/uploads/2025/07/prospectus_compressed.pdf

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

Anuj Kumar,
Director at SRMS TRUST
