Dear Mr. Secretary-General,

I am pleased to confirm that **Yayasan Pelita Matahari Bangsa** supports the Ten Principles of the UN Global Compact with respect to human rights, labor, environment and anti-corruption. With this commitment, we express our intent to support the Global Compact advancing these principles, and will make a clear statement of this commitment to our stakeholders and the general public.

We also pledge to participate in and engage with the UN Global Compact in the following way(s):

TBS Foundation engages the private sector primarily through its formal partnership with UN Global Compact Network Indonesia (IGCN), contributing curriculum expertise and capacity-building to the IGCN Youth Academy in alignment with the SDGs, and through its planned Impact Capital initiative, which will launch Indonesia's first Youth & Green Innovation Fund to mobilize USD 10–20 million in blended finance from donors and development partners while supporting 20 early-stage innovators, MSMEs, and community enterprises in renewable energy and the circular economy. The Foundation also collaborates with corporate partner PT KLAB as official charity partner of the Jakarta Running Festival, reaching over 90,000 people, and works to align its education and thought-leadership programs—including vocational teacher training and a planned national Youth Sustainability Network—with TBS Group's core businesses in waste management, electric vehicles, and renewable energy.

We recognize that a key requirement for participation in the Global Compact is the submission of a Communication on Engagement (COE) that describes our organization's efforts to support the implementation of the ten principles and to engage with the Global Compact. We support public accountability and transparency, and therefore commit to report on progress within two years of joining the Global Compact and every two years thereafter according to the Global Compact COE policy.

Sincerely yours,

**Anugraha Dezmercoledi,**  
**Executive Director at Yayasan Pelita Matahari Bangsa**
